

Saskatoon Soaring Club – Directions to Cudworth

The club flies from the Cudworth municipal airport located 2 km east of the town of Cudworth. The following written directions are for visitors driving from Saskatoon. Refer to the corresponding purple-coloured road lines on the map below.

Route Option #1 (for those who don't mind some gravel road and want to save a few kilometres):

Head east on College Drive (which turns into Highway 5 as one leaves the city). Turn left at Highway 41 and head northeast for 45 km (continuing on past Highway 27 until reaching secondary road 767). Turn right onto 767 (gravel surface) and head east for about 20 km. Turn left onto Highway 2 and head north for 6 km. Turn right onto Highway 777 and drive by the town of Cudworth and continue east for another 2 km. Turn right into the driveway of Cudworth Airport and park on the east side of the main hangar.

Route Option #2 (on all paved highways):

Head east on College Drive (which turns into Highway 5 as one leaves the city). Continue east on Highway 5 for about 55 km until you reach the intersection with Highway 2. Turn left onto Highway 2 and head north for about 40 km. Turn right onto Highway 777 and drive by the town of Cudworth and continue east for another 2 km. Turn right into the driveway of Cudworth Airport and park on the east side of the main hangar.
